We sell aggregates on a tonnage basis. Cubic metre prices shown above represent an approximate conversion to m3.					
Landscaping Supplies	Screened Soil	Available during winter (usually May-Oct) ask for further details		\$60.00	
	Rock	Landscaping rock		\$100.00	
	Bagged Cement	40kg bag		\$22.00	

Important! We are a **recycling centre, not a tip site**. Loads will be strictly monitored & charged accordingly. If you want the cheaper rates, please sort your loads and keep them clean. This also helps us produce better quality recycled aggregates & soil for you!
